ARTICLE II - MEMBERSHIP

Any individual may join the Illinois Shuffleboard Association (the "Association" or "ILSA") by registering on the Association's website and paying annual dues in the amount and in the manner prescribed on the Association's website at the time of registration (an "Individual Member"). An Individual Member's membership period shall be for one (1) year from the date of payment. Benefits to members include voting on the officers comprising the Executive Board at the Annual Meeting and access to tournaments and leagues organized and hosted by the Association.

Any organized community, within the State of Illinois, controlling the operation of at

least two (2) regulation shuffleboard courts shall be eligible for membership in the Association (a “Community Member”). In lieu of dues, the Community Member must be willing and able to host at least one (1) tournament per year. The Community Member’s members or players are not recognized as members of the Association unless they become an Individual Member. Community Members may use whatever rules of play they deem appropriate for their business; provided, however, such entities shall use official rules adopted by the Association for official Association tournaments hosted at Community Member clubs.

ARTICLE III - ELECTION PROCEDURES

1. Within a period of time specified by the Executive Board (the “Nomination Solicitation Period”), any Individual Member in good standing may self-nominate or nominate another member in good standing for election to the Executive Board.
2. Any Community Member in good standing may nominate a representative for election to the Executive Board.
3. Upon the expiration of the Nomination Solicitation Period, the nominees shall be notified by the Executive Board of their nomination and shall accept or decline said nomination within the time period provided by the Executive Board at the time of such notification.
4. Each Individual Member, who is a member at the time voting opens, may vote for seven people they feel best represent the Association. The top seven vote-getters will become the officers of the Executive Board until the next election.
5. The voting period for Executive Board officers, held in conjunction with the Annual Meeting, must be open for no fewer than seven (7) days and no more than ten (10) days.
6. In the event of a tie, a run-off election will be held following procedures set forth by the outgoing Executive Board for the tied candidates only.
7. The seven elected officers will decide how best to determine who will hold the position of each officer of the Executive Board.
 - a. In the event that the new Executive Board cannot self-organize, the former Executive Board shall select a President from the incoming Executive Board, who can then assign the remaining positions.
8. Executive Board officers shall be elected in conjunction with the Annual Meeting to serve a two (2)-year term (“Term”). In the event an officer steps down from the Executive Board before the expiration of their current Term, the remaining officers of the Executive Board may appoint an Individual Member to fill the vacancy until the next Annual Meeting. If there is further time in the officers term, in advance of the next subsequent Annual Meeting, the Executive Board shall hold a Nomination Solicitation Period to solicit nominations of Individual Members to fill the officer role to which an

interim appointment had been made. An election to fill that office shall be held in accordance with the procedures outlined herein. The newly elected officer shall serve a one (1)-year term in the prescribed office. Both the appointed term and the one (1)-year term will be considered the Interim Term (“Interim Term”).

9. No one person may hold a seat on the Executive Board for more than three (3) consecutive Terms. For the avoidance of doubt, an Interim Term does not impact an officer’s eligibility to serve three (3) consecutive Terms.
 - a. To ensure continuity of the Association, in the event that the majority of the Executive Board officers reach their term limits at the same time, the outgoing Executive Board may select two (2) outgoing officers who may run for one (1) additional Term. These individuals must be elected to continue serving.
 - b. Past President, as defined in Article IV is not subject to the term limits applicable to the Executive Board.
